

*We are POD International, YOUR point of Distribution, and we want to introduce our self who we are and what we do:*

For more than 20 years **POD** is a well-known German multi-brand water sports distributor. In our portfolio you find a huge range of water toys and sports articles. POD International consists of a team of specialists in production, distribution and marketing – a global network completes our full service.

## *Our OWN brands:*

### **1. Spinera – Fun on the Water**

Spinera was founded in 2016 and we are also the manufacturer. With our products we want to adress all clients, mainstream users also as nautic professionals.

Highlights are:

- a wide range of floating vests made of nylon and neoprene
- tubes
- water skis and wakeboards
- ropes, buoys and other accessories
- great quality for great prices
- constantly new innovative products

## 2. YACHTBEACH – Your inflatable private beach - Made in Europe

Freedom and space are priceless. POD International now offers the perfect solution for your yacht or private lake to create your private beach, chillout area or workout zone.

Create your own YACHTBEACH lounge with luxury and high-quality inflatables.

The Highlights are:

- Big platform with 205x410x20 cm / 45kg
- Small platform with 300x120x20 cm / 30kg
- All platforms are covered with top-quality artificial leather: renewable, UV-resistant, saltwater resistant, 3 elegant designs
- YB inflatable sofa in offwhite, perfect for YB platforms, on the water or the beach.
- YB luxury pool 4x4m with tubes
- YB luxury pool 6x4m with drop stitch and teak design
- YB Jetski dock 4.1x3m made of drop stitch in teak design

## 3. JetXtender – Extend your fun!

Jet Ski or dinghy? BOTH! Have the ultimate fun on your Jet Ski with space up to 6 more people! This innovative Jet Ski extension is the biggest party on the water!

- Totally inflatable
- Totally easy to transport because of a weight of 35kg
- Simple to install – don't miss our new JetXtender
- Fits to all Jet Ski or Seadoo

#### 4. RollerBone - Passion for Balance

The RollerBone is the ideal training device, no matter if at home or on the road, indoor same as outdoor. One board and a role, it's that simple: balance, muscles and body balance are equally trained, and at the same time, it's so much fun. Get out of your daily routine into the balance - that is the credo of this simple but so effective training device. Different boards with different designs, several roles as well as the new BalanceBone - 2 balance-bricks which give you the feeling of a slackline - complete the portfolio of the RollerBone family

*For those brands we do the MASTER-DISTRIBUTION:*

*your point  
of distribution*
